

General overview of the program and objectives of the job shadowing

The weekly proposed program has 3 main aims

- Explore all what is considered Innovation in didactic in 2019, referring to EU framework and recommendations, Erasmus Plus and mainly focus on the use technologies and development of communication skills in teachers and students;
- Explore the main important topics related to Education in Europe nowadays: EU standards for successful students, prevention of common problems like drop out phenomena, violence, bullying, demotivation, students lack of trust in teaching methods and school support (guidance)
- Deepen knowledge of teachers on innovative methods to improve teaching quality and learners success, to make teaching and learning more European and widen perspectives of those who are involved in the educational field

Specific objectives

- Work in close cooperation with Italian teachers and students and live in concrete a normal week of school in School in Soverato
- Understand how Italian schools deal with disadvantaged students, students with special needs and prevention of isolation, bullying, cyber bullying, violence and other worrying phenomena happening nowadays in school environments
- Develop cooperation among teachers of different nationalities on common problems of the actual teaching profession in a European dimension
- Share strategies and methods to develop more listening and understanding of students needs to improve the quality of teaching
- Empower language and communication skills

PROPOSED DRAFT PROGRAM OF THE WEEK

05-12/05/2019

LOCATIONS

THE HEADQUARTER for all and the GENERAL MEETING POINT is Villa Gabriella International B&B situated in Via Tommaso Campanella 25, Satriano Marina/Soverato (CZ) where JUMP organises all indoor and outdoor trainings:

The Villa is equipped with a big training room downstairs with a free independent entrance and a small training room inside the main building

Villa Gabriella is also a place for socialization and informal learning of Erasmus Plus participants with outdoor spaces, peaceful atmosphere and a big terrace for the breaks and informal moments among participants.

Included in the fee for those lodged by Villa Gabriella are included:

- Insurance for the days of permanence
- all transfers in the city or in other places to enjoy external intercultural or social nights

(usually JUMP organize dinners in small towns and members meetings including a meal to relax in free time and live international experiences on behalf of Erasmus Plus atmosphere),

- a present with local products of Calabria,
- the logistic assistance of our team 24h,
- the organisation of social moments indoor and outdoor
 - discounts in restaurants in the city (Stuzzichino, Trattoria Dal Maestro, ecc...) or by Jolanta Kolanowska home restaurant. If needed, the transfer to the restaurants is provided by JUMP for the group
 - a free tour walking with the JUMP team passing through the olive trees valley to the botanic garden and to visit the very famous Pietà of Gaggini Statue which is protected inside the Addolorata precious Church in Soverato superiore with a surprise
 - a free tour to Badolato old village or to another charming place with a guided tour in English and entrance to the different places where JUMP books for everyone
 - the presence of the JUMP team also for free time moments with music and happiness! All the support at human and professional level.

Useful contacts of the team (available 24h) for those who are lodged by Villa Gabriella

Pietro CURATOLA, JUMP President – +39 3477125632

Erika GERARDINI, JUMP trainer and project designer – +39 3391964454

PROPOSED DAILY TIMETABLE – WEEK 05-12 May 2019

During the first debriefing all details will be discussed sharing needs and expectations. In case of important changes (which will be always added elements and surprises linked with the program’s aims), it will be given to participants the correct version of this file printed before the departure together with all administrative documents).

JUMP will certify all the hours done together + added hours of work done in autonomy as self learning. In our certificates (personalized and colourful) we like to underline also the social and informal moments as part of the lifelong learning in line with the topic of “Formal – informal and Non Formal education” as recommended by the same Erasmus Plus Program. What is the most important for us is people from different Countries staying together and enjoying also our beautiful region!
