LORNA-S DAILY ROUTINE

Hello, my name is Lorna Adams and I am eleven years old. I live in the city centre of Dublin with my father Sam, thirty-eight years old , my mother Jenny, thirty- six years old , my older brother Ben , sixteen, my two cats, Fluffy and Snow and my dog Scruffy ! On week days, every morning I get up at seven, I have a shower, get dressed and comb my hair. Then I go down and have cereals with milk, an orange and some toast for breakfast, after that I brush my teeth, get my schoolbag and walks to my school which is not very far. Here , school starts at 9.00 am , we usually have two lessons, then during the break I chat with my friends ; I work again in class. After that I have lunch at the school canteen at 12.30, some of my friends bring their packed lunches, but I don't. In the afternoon we have two more lessons, and school finishes at 3.15 pm , which is very early , so I can go to some after school clubs such as rugby on Mondays, guitar on Wednesdays and drama on Fridays. When I get back home, I have a little snack and do my homework. Before dinner , I walk my dog and I feed him and the cats. We have dinner all together, it's nice. I help Mum clear the table, we watch television a little, while my brother plays videogames and watches his videos on You Tube then I go up in my room, I clean my face and my teeth, I go to bed where I read some pages of my book , finally it is time to sleep and dream of the next day to come .
